

Circus Ice Cream Popcorn Machine Rental Agreement

Make sure you were given a copy of the operating instructions.
Please read all of the following terms and sign below.

Popcorn machines are rented out at a rate of \$50 per day, unless otherwise noted. The popcorn machine must be returned by 12:00 pm the following day. Weekend rentals may be returned on Monday before 12:00 pm. If the machine is returned late, the renter will be charged an extra day's rental and \$50 per day thereafter until it is returned.

Each popcorn machine is inspected before it is rented out. Any damage or missing items are the responsibility of the renter and he/she agrees to pay any repair or replacement costs.

A credit card deposit is required prior to renting the popcorn machine. If the machine is returned on-time, clean and with no damage or missing items, your card will not be charged. Otherwise, any repair, replacement costs or cleaning expense (\$40) will be charged to your credit card.

Circus Ice Cream is not responsible for any injuries sustained during the use of or during the loading and unloading of the popcorn machine. Directions for the safe operation of the machine are provided to each renter. If you have any questions, please ask.

By signing below, renter states that he/she has read and agreed to the terms listed.
